

*My favourite apps*

## KIMBERLY WYATT

### ***Heads Up!***

This is such a fun app and a great game to play with friends when you're at a dinner party!

### ***StoryToys***

A collection of children's apps which are great for my one-year-old daughter Willow's bedtime!

**\* Kimberly has teamed up with Flash and Viakal to show how you can dance as you clean! For more information see [supersavvyme.co.uk](http://supersavvyme.co.uk)**
