KIM CUTS A DASH

Singer, dancer and choreographer Kimberly Wyatt looked on point at a bash to launch her new collection for Zakti Activewear at the label's North London store. The former Pussycat Doll, who is pregnant with her second child, showcased her 42-piece sportswear range for women and children to guests including her model husband Max Rogers, best pal Ashley Roberts and Chloe Gill, dancer and wife of ex-JLS star JB Gill. While the expectant mum toasted the collection with health juice, everyone else raised glasses of prosecco.
